(c) The Drugs Control Department, Government of NCT of Delhi takes the following routine measures to contain the problems of spurious drugs:-

1. Routine inspections special inspections and raids in the manufacturing premises and sale outlets are carried out from time to time. Officers of Drugs

Control Department, Government of India, are also sometimes associated in such raids and special inspections.

2. Samples of drugs are drawn at random from licenced chemists and manufacturing firms to have a test check on the quality of drugs moving in the market.

3. Survey samples of drugs are picked up from licensed retail chemists and manufacturing firms for quick screening for identification of active ingredients in the samples. If the active ingredients are founds absent, the premises from where the samples were taken are raided and legal samples of the concerned drugs are taken for test and analysis, if available, for taking appropriate action against the dealer under the provisions of the Drugs & Cosmetics Act, 1940.

4. Complaints received in the department about quality of drugs are investigated immediately and appropriate actions are taken.

5. Activities of person of doubtful nature are kept under surveillance.

6. Liaison is maintained with local police to check and stop movements of drugs of doubtful quality through unauthorized and illicit channels.

7. Close liaison is also maintained with the manufactures and dealers of repute with a view to obtaining information against movement if any of drugs of doubtful quality.

8. an advisory Committee has been constituted by the department to increase the public participation for efficient enforcement. The committee consist of representatives of Indian Medical Association, Delhi. Medical Association, All India Small Scale Pharmaceuticals Manufactures Association (Delhi Branch) Chemists Association and Voluntary Consumer Forms.

The Department has been given wide publicity to the DO's and DON'Ts for consumer through pamphlets and advertisements in the leading newspapers including insistence by consumer for issue of cash memo by the chemists. Advertisement in leading dailies has also been published instructing the dealers to conform to the requirements of Drugs and Cosmetics Rules while selling drugs.
